

# Joshua abusing his power dynamic with a girl

Joshua (“joshs” on Discord) is one of the main management members in MythicCraft, an employee at BisectHosting, and one of the “owners” of MCModels, and an owner of the Skyblock Isles server.

*Joshua likes to call himself an owner of MCModels even though he has no actual equity. He is piggybacking off of Ash’s ownership since he is splitting his profits with him for running the site, but he has zero equity in the business.*

*BisectHosting owns the other ~80% and thus they have a vested interest in keeping creepy individuals away from their business.*

Below is a collection of screenshots of Joshua performing grooming behaviour to a member of the Isles team and active user in the MythicMobs discord. This is a huge power dynamic situation since Josh is essentially her boss as he owns Skyblock Isles and she is part of the Isles team. Below you can see him admitting to stalking her address, pressuring her into revealing personal information, sending her money out of the blue causing her to feel that she owes him something, stating he will turn up outside of her dorm room, and so on. She put up with this behaviour due to fear of not being paid for work she has done on the Skyblock Isles server, she alludes to this in the below screenshots.

She was extremely uncomfortable with this behaviour and tried to tell him that she doesn’t want a personal relationship with him, to which he ignored multiple times. I would like to reiterate this is not an isolated incident and Joshua was creepy, invasive, and used the power dynamic he has over this girl to pressure her into doing things she didn’t want to do on multiple occasions. You can see in the first few screenshots she says she has told him to “leave my irl alone” and that she doesn’t have any interest in learning more about each other.

I would like to add that Joshua has been in a relationship with a girl for over 6 years I believe and is still performing this behaviour, you will see it mentioned in the screenshots below.

I have censored names to try and provide as much protection for the individual as possible from Josh and his friends, as they are known to perform character assassination when you do something they dislike. The victim even touches on this in the screenshots.

Blue is the individual she shared this with.

Red is her.

Joshua is uncensored - *There are some parts with bad cropping, but I have left a note in those instances.*

everyones address to within a few hundred feet **This is Joshs message just bad cropping**

[redacted] 03/05/2024 10:00 PM  
Well not dorm bc it's college wifi and that's server based but yeah

**Joshua** 03/05/2024 10:01 PM

If you don't think the clusters to spread it over such a large radius have  
unique identifiers in their ipv6 data ur crazy, but yeah 🤦

[blue] 3/18/2024 2:13 AM

Oh server ip  
He won't have your dorm from that

[redacted] 3/18/2024 2:13 AM

Im hella cautious about this shit  
I had a really bad experience before so yeah

[blue] 3/18/2024 2:14 AM

Sellers account is actually worse than just friends and family

[Redacted] 3/18/2024 2:20 AM

thank you <3

and the IP would really just be my school address yes?

He said like room and shit but no way?

[Blue] 3/18/2024 2:21 AM

[REDACTED] 3/18/2024 2:33 AM

Giving to much leniency

With the rest of his messages and him stalking you drunk  
its fucking weird

[REDACTED] 3/18/2024 2:34 AM

**Joshs message just bad cropping**

[REDACTED] you would have started isles when u were 18

idkf

just feels weird

[REDACTED] 3/18/2024 2:38 AM

because it is weird

[REDACTED] 3/18/2024 2:38 AM

also a bit of a power dynamic with isles

[REDACTED] 3/18/2024 2:38 AM

I understand wanting to get to know someone

But actively trying to figure out against your wishes

Isn't it

[REDACTED] 3/18/2024 2:39 AM

real.

[REDACTED] 3/18/2024 2:39 AM

For all you know you might of spoken if he hadn't of (edited)

[REDACTED] 3/18/2024 2:39 AM

kdf;gjd;fg bad wording (edited)

[REDACTED] 3/18/2024 2:39 AM

Yeahhh

its fucked

The drunk thing is sticking with me

thats super scary

[REDACTED] 3/18/2024 2:40 AM

He insisted he wasn't drunk and had me watch him play rewards to "prove it"

when Ash asked why he was on bedwars he was like "nostalgia" and ofc I'm silent

*he lost*

but yeah

3/18/2024 2:40 AM

If isles wasnt a thing  
Would you just block him

3/18/2024 2:41 AM

just drunkish **Joshs message just bad cropping**

3/18/2024 2:41 AM

Going back to the power dynamic thing

3/18/2024 2:41 AM

kgfdl;gjd;kg

3/18/2024 2:41 AM

How much did he send you for hospital stuff

3/18/2024 2:42 AM

a lot  
well a lot for me  
like between 100-500\$

3/18/2024 2:42 AM

idk mann to me thats also a strange thing to do for someone you insist on getting to know  
Cause now you subcoincously feel like you owe him

3/18/2024 2:43 AM

i do lol

[redacted] 3/18/2024 2:43 AM  
i deff do feel like i owe him

[blue] 3/18/2024 2:43 AM  
Did you ask for it or did he just send it

[redacted] 3/18/2024 2:43 AM  
and he said he would send more but i said i would close my paypal

[blue] 3/18/2024 2:43 AM  
Did you ask for it or did he just send it  
[redacted] 3/18/2024 2:43 AM  
he sent it after i denied sending him a restaurant (edited)

well i sent him a chain and he wasnt happy with that xD

[blue] 3/18/2024 2:44 AM  
Im not trying to paint Josh in a bad light, i dont think he is. But everything you're showing me is textbook grooming but you're not a minor so idk the term  
its a power dynamic

Why would he send that, its likely even friends youve known for years wouldnt send it on a whim

[redacted] 3/18/2024 2:44 AM  
i had a friend in a bad relationship and they called it love bombing

[blue] 3/18/2024 2:44 AM  
thats a good term

[redacted] 3/18/2024 2:44 AM  
i dont think thats what it is  
but like  
idfk

[blue] 3/18/2024 2:45 AM  
Its similar

[blue] 3/18/2024 2:45 AM  
Why would he send that, its likely even friends youve known for years wouldnt send it on a whim  
[redacted] 3/18/2024 2:45 AM  
bc he was drunk

[redacted] 3/18/2024 2:45 AM  
Constantly pressuring you into situation you dont want but cant feel bad about

[redacted] 3/18/2024 2:45 AM  
friends who would legit die for me would never send me money like that  
they would just send a nice note

[blue] 3/18/2024 2:45 AM  
Thats what im saying  
its so strange  
Coupled with the constant pressure for information  
and literally stalking

[redacted] 3/18/2024 2:45 AM  
i mean ill take it but jklgjdfklgj feels like i owe

[blue] 3/18/2024 2:45 AM  
Its weird  
[redacted] 3/18/2024 2:45 AM  
i told him to take it out of my final isles pay  
and he said he would cook the books or whatever (edited)  
[redacted] 3/18/2024 2:45 AM  
i mean ill take it but jklgjdfklgj feels like i owe  
[blue] 3/18/2024 2:46 AM  
and thats what these "love bombing grooming whatever" feeds on  
[redacted] 3/18/2024 2:46 AM  
me when I almost was gonna meet up with him because i felt like i owed him...jdfklgjdfklgjdlkf not really but it was a shower thought

[redacted] 3/18/2024 2:49 AM  
idfk i was actually gonna poof off discord for a bit- i decided that this morning- but now we have so many builders ahhhhh  
School starts tomorrow so i legit cant deal with this rn  
[blue] 3/18/2024 2:50 AM  
>> stalks girl address >> says will show up at dorm >> constantly pressures for personal info >> sends \$400 out of nowhere to someone he barely knows knowing that she is someone who will feel in debt  
I think you need three weeks off  
[blue] 3/18/2024 2:50 AM  
>> stalks girl address >> says will show up at dorm >> constantly pressures for personal info >> sends \$400 out of nowhere to someone he barely knows knowing ...  
3/18/2024 2:50 AM  
To reiterate that last point, I barely know you we have only properly talked today  
And i could tell months ago you were a "timid" person NOT IN A BAD WAY but more like  
I know if i sent you money and said dont feel bad baout it  
I know you would feel bad  
[redacted] 3/18/2024 2:51 AM  
i miss pressed a key.

**Joshua** Today at 10:50 PM

wtf  
bruh

[redacted] 3/18/2024 2:53 AM

i confronted him about it and he skirted around the question

[blue] 3/18/2024 2:53 AM

Hes wiggled his way into countless large communities

[redacted] 3/18/2024 2:53 AM

brotha knowsssssss

[blue] 3/18/2024 2:53 AM

he aint stupid when it comes to social situations

[blue] and go to wahr

[redacted] 3/18/2024 2:53 AM

wahr cant do shit lol

[blue] 3/18/2024 2:53 AM

yeah i know was a meme lol

[redacted] 3/18/2024 2:53 AM

thats the thing

no one can do anything

sorta helpless yk

if something bad did happen

who tf do you go to?

[blue] 3/18/2024 2:54 AM

The power dynamic thing you mentioned

[redacted] 3/18/2024 2:54 AM

youre instantly banned off every major community

no one trusts you

you have nothing

[redacted] 3/18/2024 2:54 AM

no offense but they would trust him

1 big announcement with ash and all them, ez done over

[blue] 3/18/2024 2:54 AM

Sure, but if something did happen that was bad

you're not fully alone

[redacted] 3/18/2024 2:55 AM

pretty much lol

[blue] 3/18/2024 2:55 AM

Nah not at all

Away from isles

Probably

But just cause you're the head of multiple large communities doesnt make you invulnerable

[redacted] 3/18/2024 2:55 AM

Id just leave discord ngl

couldnt be bothered with this app (edited)

[blue] 3/18/2024 2:56 AM

And thats perfectly fine

We're gone straight to the worst here havent we hahaha

[redacted] 3/18/2024 2:56 AM

thats another thing about the voice thing for me

it opens too many doors

nothing is in text yk

[blue] 3/18/2024 2:56 AM

Voice can be screenshots **Meant can't but you get the idea**

[Redacted] 3/18/2024 2:57 AM

i also just wanna get paid at the end of the day  
so im stuck here until release

[Blue] 3/18/2024 2:57 AM

Serious question, if you got a pay out now would you leave to avoid all this

[Redacted] 3/18/2024 2:58 AM

maybes- depends on the pay out

[Blue] 3/18/2024 2:58 AM

Not that I can make that happen

[Redacted] 3/18/2024 2:58 AM

it was offered in the past, but that offer has vanished for someeeee reason 😕

i think they know isles would prob be hard pressed to release if I left

[Blue] 3/18/2024 2:58 AM

Gotta keep you around for Josh obviously

[redacted] 3/18/2024 3:01 AM

he also brought up a weird comment that suggested he looked up my home home address

[blue] 3/18/2024 3:01 AM

Seperate from the previous incident?

[redacted] 3/18/2024 3:01 AM

yeah

that was collegwe

this is home

we were talking about schools remember?

he mentioned a college, not known for pre med, and I said i knew it

and he said "ofc you know that being a premed" or whatever

and that school is sortaaaa near me

3/18/2024 3:02 AM

idk if i name dropped your school in level 10 the other day i just said a nyc school and you did a gif and didnt speak for a while

3/18/2024 3:02 AM

it was worded in a way where its like "i know this and im letting you know that descreetly"

nah *he* said it

its not a known school either

3/18/2024 3:03 AM

So fucking weird

3/18/2024 3:03 AM

yeah TLDR he mentioned a school near me, i said i knew of it, he joked and said ofc you do even tho its not your major just felt weird

maybe im delulu

3/18/2024 3:04 AM

With the previous shit hes done and said

I wouldnt say its out of the picture

3/18/2024 3:04 AM

**Josh** 🔥 Yesterday at 11:59 PM  
im glad you knew that one  
as a medical student lol

thats worded so ahhhhhhhhh

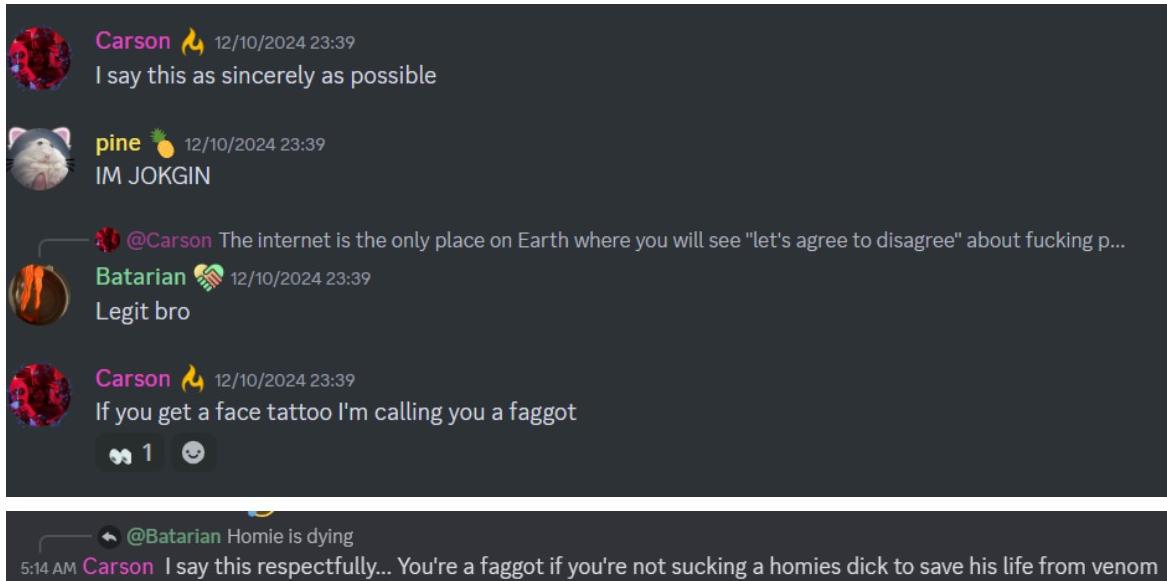

3/18/2024 3:05 AM

Reading back the convo

it is very stuck out

# Questionable behaviour from members of the team

Saying this word so openly in a public channel when you are meant to be management and represent MythicCraft to the best of your ability. The first screenshot is literally “being gay is bad so I'll use it as an insult for you if...”

Most of the use of the word “retard” is by management.

The screenshot shows a messaging application interface with two main sections of messages.

**Section 1: #(level-100-bbq-chat) General**

- Carson 🔥** 12/4/24, 4:40 PM: Spring: "okay, play dumb so they don't think I'm a nerd"  
Them: "how the fuck have they never played Minecraft? Are they retarded?"
- Carson 🔥** 12/2/24, 7:16 PM: id call him retarded but he'd probably either cry or get confused
- Dootudied** 12/1/24, 8:10 AM: especially because the kid im tutoring now isn't completely retarded
- Carson 🔥** 12/1/24, 8:05 AM: shes just retarded

**Section 2: #mythicud-support Support**

- Josh 🔥** 11/27/24, 3:22 AM: actually i think your verification app just got approved anyways 🎉

**Section 3: #(level-100-bbq-chat) General**

- Carson 🔥** 11/23/24, 10:12 PM: Go eat retard
- Carson 🔥** 11/17/24, 8:45 PM: yeah the explination there is he's retarded
- Dootudied** 11/10/24, 11:54 PM: me retarded

Atleast Wahrheit tried to hold the ground down for these words, but the head admin is oblivious to the fact that management uses these awful words the most, and in some cases how they describe their customers.

Talking about sexual things about a minor - Jasper

queenofmoths ❤️ 06/08/2024 02:31

omg ash stop teaching jas bad words

9:29 PM Jasper two ants having sex just landed on my shirt

Jasper Stop fucking everybody

Amy 🛡️ 06/08/2024 02:31

Jas said ants 😞

Ash 🔥 06/08/2024 02:31

omg stop including your daughter in your naughty sex time with jack

In fact allowing Jasper to be in a non age gated channel that members are manually added to where sexual conversations happen often which goes against discord TOS in the first place. But allow minors there and manually adding them whilst multiple members including staff actively have sexual conversations with her around. There are also other minors in this channel but Jasper was the most involved.

Here is three members of the MythicCraft management team in a call with the known groomer "MiniLadd" known here on discord by his legal name "Craig Thompson", who got outed years ago for abusing the power imbalance of him being a famous youtuber to take advantage of 16

and 17 year old girls. Not in itself negative, but it makes you think about the general morals of these people when 99% of the internet has shunned MiniLadd into the ground making it so he can't return, yet this group of people are still friends with him. Just go search his name on youtube and you'll see the issue.

Maybe this is some justification for why they are still friends with him.

7:33 PM **Jasper** So if you get reported for dating someone online but the legal agenwhere shes at and where they are at are different  
**Jasper** What happens  
7:33 PM **Batarian** Don't extenders cut speeds pretty badly though  
**Batarian** That was my main concern  
7:34 PM **queenofmoths** no dating  
**queenofmoths** dating is expensive  
7:34 PM **Jasper** ew not me  
↳ @Jasper So if you get reported for dating someone online but the legal agenwhere shes at and where they are at are different  
7:35 PM **Carson** depends on a lot of aspects. if its non-sexual, the law probably wont care. if there is anything sexual with it, it goes with whatever one is harsher usually. if its another country, US laws are applied for both parties, even if only one is in the US  
7:35 PM **Batarian** I got an idea  
7:36 PM **Carson** so like if one is arizona and one is new york, and lets say arizone age is 17 but new york is 18, and the ages are 17 and 20, arizona could try to charge the one in newyork. if sexual message or images were shared though, both are getting smacked HARD  
7:36 PM **Batarian** Ima take out the cable running to the modem and run the Ethernet to the basement with that  
**Batarian** Alongside it\*\*  
7:36 PM **JackWalms** Carson has done extensive research on this

↳ @queenofmoths she's like 15 years younger  
7:06 PM **Carson** Matters less and less overtime. As long as it's legal and not groomed, who cares lol  
7:06 PM **queenofmoths** 🐸

Ash makes premium plugins and is never in support chat and never writes the documentation himself, and the people who do those things either do not have access to the plugins or literally buy them specifically for the reason of doing that for him

# Sketchy behaviour regarding reviews for Mythic and MEG3/4

Here are some images of the owner of MythicCraft Ash performing questionable activities against the [FTC rules of it not being allowed to offer incentives for customers to leave undisclosed positive endorsements](#). Although this rule has only been in effect since October 2024, some of the below screenshots are from after that point, and I have no doubt that he will continue to encourage this as he has for years as well as encouraging people to reviewbomb other plugins so that he gets more business. This is just a few messages, but he has been encouraging this for a while. The third screenshot shows him moaning about people who complained about having to pay for ModelEngine 4 even if they already owned ModelEngine 3, which isn't "wrong" it's just extremely predatory practises since they only announced it being a completely new payment of \$40 on the day of release - However, giving a discount code in exchange for a good review could potentially be breaking the FTC rules which Ash has to follow being a registered limited company in Idaho. Below are screenshots of this behaviour, as well as encouraging review bombing of other plugins and adding banned words of competitors names to their discord.

I think Ticxo can just give your spigot account a license.

The sheer magic that came running from Ticxo's fingers while he busted out fixes and features like crazy during testing MEG4 exceeds the majority of devs on this site, period.
